Mr. Nathan,

I'd like to take this opportunity to commend Carl Gould, my construction supervisor, for the fine job that he did overseeing the construction of my new home. He kept me posted as to the work schedule, was attentive to my needs and corrected any minor problems in a timely manner. He is a true asset to your organization and I would highly recommend him and Lifestyle Homes to anyone looking to build a new home. Thank you for building my "dream" home.

Yours truly,
Joe Dacri
